

MARKETING JOB DESCRIPTION

Post	Marketing – Freelance – Long term
Hours	To start ASAP (Late August/Early Sept 2019) 8 - 20 hours a week. Flexible hours. 3 Month voluntary/probation period applies. After 3 months payment
Remuneration	To be discussed after application

Funk It Up Dance is an established creative dance business in Bristol which has been running for 17 years.

We are looking for strong marketing person who has a desire to invest energy into this dance business and help the growth of Funk It Up. This person would see themselves growing with the business, creating something out of this opportunity and finding a satisfying place as part of the Funk It Up Team.

You need to provide good strategic marketing and implement what is necessary so the classes we provide are full as well as taking more dance sessions into various organisations. A self starter who has good initiative and has a good mind for working out what steps are necessary to get the job done. You will be customer facing, holding good communication skills who can demonstrate professional yet upbeat and friendly interactions with our clients & other freelancers you may work with.

Marketing will need to be done both for our public classes & classes/workshops we hold at schools & other external organisations. You will need to have good knowledge of how to maintain a really good social media presence in order to bring more people to our classes as well as the ability to maintain our Website including our Uniform Shop. You will be able to create Mailchimps that have a professional yet vibrant layout, create funky fliers, posters and be able to plan and execute the delivery of the marketing strategies you come up with.

This is an ideal opportunity for somebody who has an interest in dance, feels passion & enthusiasm to provide our clients a very satisfactory experience and to be part of a team that helps a small creative business expand.

A freelance role with flexible hours. Hours may vary slightly around special events, Christmas and Summer Shows so you must be flexible. Some weekend and evening work may be required but this can be minimized.

JOB ROLE

- Preparing marketing and sales strategies and implementing these.

CORE RESPONSIBILITIES

- Upkeep of Social Media (Facebook, Instagram, Twitter & Vimeo)
- Upkeep of Website & taking actions so it stays at the top of search engines
- Updating our info of free online class listings and finding new ones e.g. netmums, Hoop etc
- Updating Flyers, Posters & designing mailchimp templates for online & to physically display at our venues
- Finding opportunities to promote business through trade shows, local events, fetes & coordinating these.
- Organising promotional presentations for Principal to show at schools & other organisations
- Review and redesign of our marketing documentation stored in our online filing system (Gdrive), and creation of any new documents required.
- Having access to a texting system either through phone or online to text students about classes
- Support Principal with various events, holiday clubs, festivals and shows
- Making forecasts, planning marketing timeline, monitoring budgets, maintaining research information & outcomes in a database.
- Researches competitive services.
- Offering new ideas for marketing and ideas for areas where we can bring our services to.
